AN-NOOR SCHOOL A FULL TIME ISLAMIC SCHOOL

1480 Janette Avenue, Windsor ON N8X 1Z4

Ph: 519-966-4422

An-Noor Private Islamic School is a registered private full-time school with the Ontario Ministry of Education, for grades Pre-K, JK-Gr.8. The school has a multi-purpose gymnasium, large play-ground facility and fully operational library. The school employs Ontario certified staff across every grade from K-8, including a number of local graduates from the Faculty of Education at the University of Windsor.

The An-Noor Pre-K/Child Care Centre has a Ministry licensed program with certified ECE staff. Preschoolers experience a full early years curriculum which also includes instruction in Qur'an, Arabic and Islamiyat, while also integrating Montessori methods and materials. On a daily basis, our certified cooking staff use our full kitchen to prepare breakfast and a fresh hot lunch for children.

Our JK and SK programs teach the full Ontario Curriculum while also integrating Montessori methods and materials. In Grades 1-8, the classroom program follows the Ontario Curriculum. Students from JK-Gr.8 receive regular daily instruction for Qur'an, Arabic and Islamiyat. A full Physical Education curriculum is an integral part of our school program. There are 2 important support programs in place: 1) the Arabic Bridging Program to assist students from Gr. 2-8 who are challenged by the language; 2) the Learning Support Program to assist students from Gr.1-8 in literacy and numeracy skills, ESL and other learning challenges.

Sh. Mohamed Mahmoud provides direct instruction for a before school Tahfiz ul-Qur'an program which runs throughout the school year. This program has grown since last year and continues with great success.

An-Noor participates in the yearly EQAO testing, consistently scoring well. The school regularly receives awards for students who participate in the Regional Science Fair, Math contests, Spelling Bee contests, Writing competitions and other academic competitions. An-Noor aims to foster wider community engagement by participating in charitable activities such as the Heart & Stroke Foundation's Jump for Heart, the Annual Muslim Community Coat Drive, and the An-Noor Monthly Loonie Sadaqa Drive.

An-Noor School is committed to excellence in Islamic teaching and practice alongside academic achievement. It aims to cultivate a strong, vibrant Islamic identity for its students while focusing on their academic success. The school aims to foster and develop a sense of future leadership with our students, for our community and beyond.

Windsor Islamic Council

The Windsor Islamic Council (WIC) has been established in 2010 to coordinate the affairs of its member organizations in certain key areas, including but not limited to the start of Ramadan and the two Eids, media relations, Prayer time and interfaith activities. Its mandate is to promote and facilitate optimum degree of coordination among its member masjid (mosques) in all areas and/or projects of common interest. Founding organizations include the Windsor Islamic Association, Al-Hijra Mosque, Rose City Islamic Centre, and the Windsor branch of the Islamic Circle of North America (ICNA). The council strives to reach out to include other Islamic organizations in the city of Windsor.

Mortuary and Funeral Services

"Every soul will taste death....then to Us you shall all return" [Quran 29:57] Our facility offers washing, preparation and cold storage. Alhamdulillah, a group of volunteers, brothers and sisters, are on call to provide funeral services and support to our community. May ALLAH (SWT) accept these efforts and continuously guide us to being in a state of preparation for our journey to the Akhirah.
